this week on pump fun 🧐

first and foremost, congrats to [\\$GOAT](#) and [\\$MOODENG](#) for their [@binance](#) & [@okx](#) listings 🥳

in the trenches, the AI madness continued with new coins flying left right and center, but only a few seem sustainable

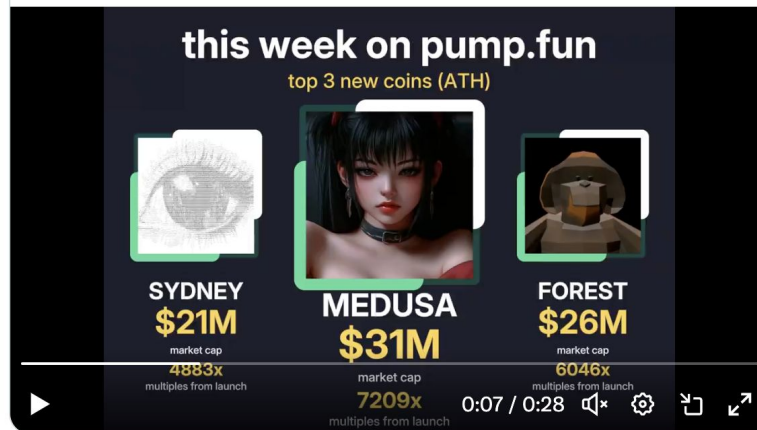

will AI coins go up or down from here?

TWOP 🔥🔥🔥

it seems like each week is getting crazier and crazier, with AIs, robots and other kinds of "innovative tech" taking over
